

## Faculty of Psychology Universitas Medan Area proudly presents ICoPEB 2020

The International Conference on Psychology, Environmental, and Behavioral Science (ICoPEB) will take place at Medan, the capital city of Indonesian province of North Sumatera. It is the largest city in Sumatra and the fifth most populous metropolitan area in the country and the largest outside of Java. ICoPEB aims at bringing together researchers and practitioners working on areas related to any kind of psychology, environmental, and behavioral science sub themes.
